

# OTHER RESOURCES THAT MAY BE OF HELP TO YOU OR OTHERS

#### American Cancer Society 1-800-227-2345 <u>www.cancer.org</u>

This is a nationwide community-based, voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy, and services.

#### **Breast Friends** 1-888-718-3523

This is a one-to-one support network that provides comfort, emotional support, practical assistance, and information to breast cancer patients and their families. Staffed by breast cancer survivors, family members, and friends of breast cancer patients.

#### Cancer Care, Inc. 1-800-813-4673 <u>www.cancercare.org</u>

This is a national non-profit organization that provides free, professional assistance to people with any type of cancer, and to their families. They offer education, ono-on-one counseling, financial assistance for non-medical expenses, and referrals to community services. Eligible women can be reimbursed for diagnostic tests, transportation to treatment, childcare, or for an escort to treatment for breast and cervical cancers.

**Celebrate Pink** 307-634-5230 ~ ask for Gail to obtain an application form Provides grants of up to \$300 to help individuals in southeast Wyoming in their fight against breast cancer. The money is to help with incidental, non-medical expenses such as child care, gasoline costs, house cleaning, or perhaps bringing a family member to visit.

#### Community Cancer Resource Center, Casper 307-577-2971

The Community Cancer Resource Center provides immediate access to cancer information for the patients and family members whom they serve. Assistance is also available to: Coordinate appointments and communicate with your healthcare team; provide one-on-one support to patients and families; and assist with finding funds for care and transportation and referrals to community services and support groups.

## Cowboys Against Cancer Contact Margaret Perry 307-382-9606

The goal is to raise funds for Sweetwater County residents diagnosed with cancer. Financial assistance is given for expenses that result from travel between Sweetwater County and other areas for medical treatment and the development of cancer treatment facilities in the county.

# Johnson County Community Resource Center 1-888-684-4550 or 307-684-7933 www.crc.vcn.com

Can connect people to resources if they are underserved, and provides information to all citizens of Johnson County.

#### Linking A.R.M.S. 1-800-813-4673 www.cancercare.org

Program for medically underserved patients with breast cancer. Financial assistance for medications and supplies is granted to those who meet CancerCare's financial eligibility criteria. All CancerCare services, including counseling and education, are always free.

## National Women's Health Information Center 1-800-994-9662 <u>www.4woman.gov</u>

Referral specialists will find a vast array of women's health information resources and order free health information or make organizationial referrals to help with any health questions.

#### Native Women's Health Program 307-856-1476 or 307-851-8922

Program serving women on the Wind River Reservation. Provides education on breast and cervical health; recruits women into the Wyoming Breast and Cervical Cancer Early Detection Program and refers to other resources.

## Tough Enough Cancer Fund 307-857-6685

The Tough Enough Cancer Fund is able to assist Fremont County families with regular household bills, travel expenses, and other day to day expenditures. We cannot, however, provide any relief for incurred medical expenses. Non-essential items or expenses will be paid at the discretion of the board members.

# Wyoming Affiliate Susan G. Komen Foundation 1-800-204-1332 <a href="https://www.komenwyoming.org">www.komenwyoming.org</a>

The Komen Foundation provides grants to state and local entities to assist with breast health initiatives. Call them to find out if there is a funded entity in your community.

#### Wyoming Cancer Resource Services (WCRS)

The Wyoming Cancer Resource Services is a program through the Wyoming Department of Health that serves your community with cancer prevention education, information on and recruitment to state-funded cancer screening programs, patient navigation services throughout the continuum of care. Can provide assistance with transportation costs. All services are free and confidential.
